STOP PRESS

JUNE CELL TOWER NEWS

There have been further developments with regards to the proposed erection of the cell towers in the Ndlambe area.

The NG Church has given the Power of Attorney to BJB Projects to be the Applicant dealing in all matters relating to the approval / permitting of a cellular mast on properties owned by the Church throughout Ndlambe.

The comments and objections sent to Dr Barkhuisen appear to be no longer valid at the present moment, and we have been advised that all comments or objections must instead be sent to the Ndlambe Municipality, the contact person is Ntombi Ngzwashula, letters can be handed to her at the Port Alfred Municipal Offices, her fax number is 046 6042669 and her email address is nngxwashula@ndlambe.gov.za.

Please quote that your comments are applicable to Portion 1 of the Farm Number 348, Marselle.

The closing date for comments and objections is 30th June 2017.

We will keep you advised of progress in this matter.

Sheila Swanepoel
Chair – Bushman's River Mouth Ratepayers' Organisation.
9th June, 2017
